# About B Academics

**1,500+**  
academics

**612**  
institutions

**52**  
countries

**200** research  
papers

**B Academics is a network of educators and researchers from around the world who are committed to accelerating the sustainable business movement by studying B Corporations and benefit corporations. We work with each other, the global B Lab network, and the B Corp community to share best practices and identify opportunities for collaboration with regard to research, teaching, and experiential learning.**

# B Academics Founding Board
